This 6538 m2 building plot is located in the beautiful nature of Eastern Istria. It offers a special, open, view of the sea and the surrounding islands on one side and the greenery and untouched nature on the other. It is only 300 m away from the sea, while all facilities such as shops, kindergarten, school and the like are in the immediate vicinity.

The existing preliminary design envisages the construction of 6 modern villas, each with 6 apartments, which will be an excellent opportunity for all those who want a quiet family life, but also those who want to buy an apartment for tourism.
