In a small town in eastern Istria, only 4 km away from the famous tourist town of Rabac, there is this stone house with an auxiliary building.

The house is on two floors of 100 m2 with a fenced terrace and there is an auxiliary building also on two floors of 70 m2. The house has as much as 14,200 m2 of land, of which 2,700 m2 is construction.

Although the house is in a dilapidated condition and needs a complete renovation, with a little imagination it can be turned into a charming holiday home with a swimming pool that will serve its owners as an escape from the hectic lifestyle.
